

PE & Sports Premium

Sports Premium money is allocated to all primary schools with a vision of creating children that are physically literate and that have the skills, the knowledge and the motivation in order that they are in a position to lead healthy, active lifestyles for the duration of their life. We hope that the use of the sports premium will do this for every child in the school.

With this vision in mind, Sacred Heart CVA felt that after a successful year for PE and Sport in school there were a number of priorities. These are highlighted in the diagram below.
