As a school, we plan in Review / Revise / Revisit/ Pre-learn so that children get the chance to consolidate previous learning and or pre-learn ideas which will be covered in the next topics. This means that teachers can be sure that knowledge and skills are solid before they re-visit topics in subsequent learning.

Reading Comprehension will be taught both within the Scheme of learning (linked to the Unit of Work) and as discrete reading lessons, focussing on aspects of the National Curriculum for reading (see Curriculum Overview).
