

We aim for children to have a strong foundation of number and each year group have key number facts to become secure in. In Year 1 we will focus on and be confident in:

number bonds to 10.

You can support your child by:

Quick questions – Give your child a number and ask them for the number pair to make 10. Time how quick they are to answer 10 questions. Can they beat their time?

Numberblocks watch and join in with the song – [BBC iPlayer - Numberblocks - Series 3: Ten Again](#)

Using objects around the house pens, spoons, toys how many ways can you make 10?

$$4 + 6 = \quad 7 + 3 = \quad 8 + 2 =$$

Make your own rainbow number bonds to 10. Put it up in your room to practise.

$$0 + 10 = 10$$

$$1 + 9 = 10$$

$$2 + 8 = 10$$

$$3 + 7 = 10$$

$$4 + 6 = 10$$

$$5 + 5 = 10$$

$$10 + 0 = 10$$

$$9 + 1 = 10$$

$$8 + 2 = 10$$

$$7 + 3 = 10$$

$$6 + 4 = 10$$

$$5 + 5 = 10$$

The more we practise the more we become fluent and remember these facts.
