

We aim for children to have a strong foundation of number and each year group have key number facts to become secure in. In Year 3 we will focus on and be confident in:

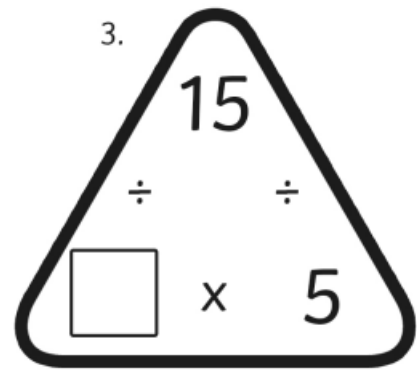

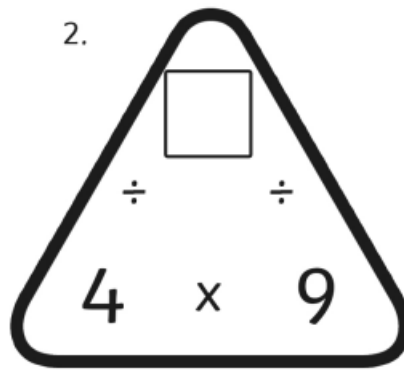

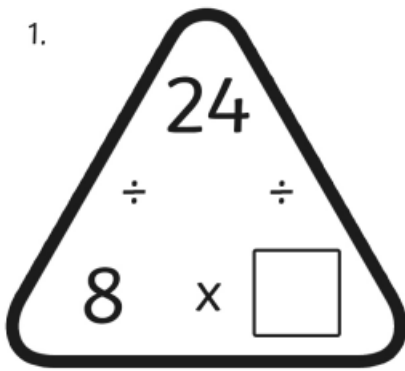

3, 4 and 8 times tables.

You can support your child by:

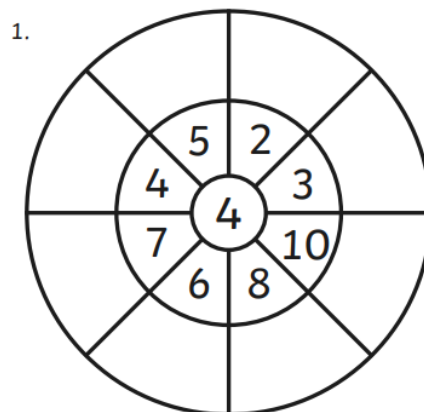

Regularly log on to Times Tables Rock Stars. Can you make your chart green?

Click on the link for ideas of how to practise at home - [How to practise times tables | Oxford Owl - YouTube](#)

Make multiplication triangles at home.

Create your own multiplication wheels.

The more we practise the more we become fluent and remember these facts.
