

# ALL THE NEWS FROM SACRED HEART

As we come to the end of this term, we find ourselves nearing the end of the season of Lent. This time of reflection and preparation has allowed us to embrace the values of thoughtfulness, holiness, and community here at our school. It is heart-warming to see our students engage in activities that encourage empathy and kindness, embodying the true spirit of Lent.

This year, we have supported CAFOD through your generous donations. This is especially important as it helps those in need, both near and far, allowing us to live out our faith and show compassion towards others. Thank you for encouraging your children to contribute; every little bit makes a difference.

As we approach the Easter holidays, we encourage all families to take this time to reflect, pray, and enjoy the company of loved ones. This Easter, let us remember the importance of togetherness and gratitude as we celebrate the resurrection of Christ.

Wishing you a safe and peaceful Easter break!

*Alan James*

### Whole School Mass:

This week we celebrated our Lenten mass together as a school community. As we prepare for the Holy Week, we dedicate our time each day to prayer, seeking God's guidance and strength during this important week. During our time together at mass we reflected on the meaning of Jesus' life, death and resurrection, and how it relates to our own life.

In the gospel reading from Tuesday, we heard about how Jesus teaches us that if people have done something wrong it is not always right to get them punished. After all we are not all perfect. We are created in God's image and likeness. We ask God for his mercy to help us to do what is right. Help us to see that we all get things wrong sometimes and to say sorry when we do. Thank you to the staff who organised it, the children who took part and the church community for a wonderful gathering.
