Powerful Language

In English, we will learn about:

- A range of poems by Ted Hughes
- We will reinforce comprehension strategies to answer questions or puzzles in the poems.
- We will explore similes, metaphors and personification in the poems, writing our own free verse nature poems based on close observation.
- In the final writing task, we write our own poems about the seasons drawing on whole-class work, and use feedback to edit and improve our poems.

In Geography, we will learn about:

- Use fieldwork to observe, measure and record the human and physical features in the local area using methods such as sketch maps, plans graphs and digital technologies.
- Locational knowledge
- Topographical features –settlement and land use patterns / how aspects have changed over time.

In Design & Technology, we will learn about:

- Scrapheap challenge: This creative and practical challenge uses our knowledge, understanding and skills to engage in an iterative process of designing and making a robot.
- Buggy Building: You'll select from and use a wider range of tools and equipment to perform this hands-on, practical task of building a buggy.
