

Welcome Back

We hope you and your families had a blessed and restful Easter break. It was a joy to welcome our pupils back to school for what promises to be a vibrant and busy summer term!

Looking ahead the term is filled with a plethora of activities for our children and families. We are currently busy preparing to welcome our new intake of little ones, while also ensuring our fantastic Year 6 pupils enjoy a memorable and rewarding final term with us as they prepare for the next stage of their journey.

Just a reminder that Sacred Heart does have a **FULL TIME** nursery. Please contact the school office for more information, application packs and registration.

ફક્ત એક રીમાઇન્ડર કે સેક્રેડ હાર્ટ પાસે સંપૂર્ણ સમયની નર્સરી છે. વધુ માહિતી, એપ્લિકેશન પેક અને નોંધણી માટે કૃપા કરીને શાળા કચેરીનો સંપર્ક કરો

LCH Charity

Lifting Children's Hopes

We are very pleased to continue working with **LCH – Lifting Children’s Hopes**, a local children’s charity that supports families across the East Midlands.

LCH helps children and young people in many ways, including:

- Help with school trip costs
- Access to counselling and mental health support
- Providing essentials such as coats, toiletries and school uniform
- Supporting children to take part in hobbies or sports
- Free family days out, such as cinema trips, farm visits and Santa experiences

As a partner school, we can **nominate families** who may benefit from this support.

If you are a family on a low household income and would like to be considered, please email the school office and ask to be added to our **LCH family list**.

Your child does not need to be on free school meals to receive this support.

Colour Dash Fundraising Event

LCH kindly provides **everything we need for our Colour Dash event free of charge**, including paint, equipment and prizes for every child. In return, they ask families to help children collect sponsorship, which is a great opportunity to learn about helping others and supporting local charities.

During the event, children will run around a course at school while coloured powder is gently thrown into the air.

- The powder is **safe and non-toxic**
- It is made from corn starch and food colouring
- If your child has a corn starch allergy, please let us know — an alternative is available

Sponsorship forms will be sent home soon.

- Sponsors can donate using the QR code or with cash
- Please fully complete sponsorship forms so **Gift Aid** can be claimed, which gives the charity extra money at no cost
- Return all forms and donations to the school office with your child’s name and class

Children should wear **old clothes or non-uniform**, as they will get colourful! Goggles or sunglasses can be worn if they wish but are not needed.

Prizes will be given out as soon as the charity is able — thank you for your patience.

Key Dates

- **Colour Dash Event: Friday 22nd May 2026**
- **Sponsorship Deadline: Friday 5th June 2026**

Thank you for your continued support.

Sacred Heart Choir Shines at County Competition

We are incredibly proud of our Sacred Heart Choir, who performed at The Leicestershire School Choir of the Year Competition 2026 held at the prestigious De Montfort Hall. This competition is a fabulous performance opportunity for young people to work towards, giving them the chance to showcase their musical talents, confidence and teamwork on a professional stage. The choir demonstrated wonderful commitment throughout their rehearsals and on the evening itself, representing the school with enthusiasm and pride.

Special thanks must go to Mrs Ong, whose passion, dedication and infectious enthusiasm continually inspire the children and bring out the very best in the choir. We are also grateful to Mrs Gopal and Mrs Palmer for their support on the night!

Stations of the Cross

A special word of thanks from Fr David to all our classes for creating such beautiful Stations of the Cross which were on display in the Church over the Easter weekend. A lot of time and careful consideration was put into creating these wonderful pieces! Thank you also to the adults who helped guide the children in retelling this important bible story.

The Eco Team have been doing a phenomenal job at Sacred Heart. Please see below the incredible work they are carrying out.

Little Green Voices - Eco Corner

Join our Whale of a Waste Rescue!

Our children are creating a giant outdoor whale sculpture from single-use plastics to highlight ocean pollution and celebrate marine life. This hands-on project mixes art, science and global citizenship children will collect, sort and attach clean, dry plastics, learn about waste reduction and design the finished display for the school grounds. Here is an example:

Prince Charles, Prince of Wales stands beside a huge Whale made from plastic bottles as part of the Sky Ocean rescue Campaign, outside the Queen Elizabeth II building at Westminster on April 17, 2018 in London, England.

How you can help:

- Please donate rinsed, dry single-use plastics (bottles, lids, wrappers) to Poplar class
- Volunteers needed for assembly on sign up at Poplar class.

We'll share photos and reflections when the whale is displayed.

Some Eco Tips for us:

Owl Camera

Brynau Farm barn owl cam Link: <https://www.woodlandtrust.org.uk/trees-woods-and-wildlife/brynau-barn-owl-cam/>

The Woodland Trust is sharing a live barn owl nest camera from Brynau Farm in Wales. The webcam offers a real-time view of barn owls in their nesting site and provides a great opportunity for families to learn more about British wildlife and conservation from home. Enjoy watching barn owl 🦉

Club: Bollywood Beats: Celebrate Global Citizenship

We meet every Tuesday, 12:50–13:15. Join our Bollywood Dance Club every Tuesday, 12:50–13:15, and celebrate global citizenship through music, movement and cultural fun. Open to all children, the club builds confidence, teamwork and an appreciation of South Asian dance traditions no experience needed. Come along, make friends and bring your energy!

Club: Eco Club: Grow, Learn, Act

We meet every Tuesday, 12:50–13:15. Join Eco Club every Tuesday, 12:50–13:15, to learn about the environment, take part in hands-on projects, and make a difference at school and in the community. Open to all children.... expect gardening, recycling challenges, wildlife surveys and ideas for reducing waste. Come along to help protect our planet and build teamwork and leadership skills!

Clubs: Lunch Audit.

Eco Champions, Laudato Si Team and Energy Rangers will carry out a packed-lunch audit every Tuesday to spot single-use plastics and waste.

The audit will identify items sent to landfill and suggest simple swaps to reduce plastic. We'll share the results and practical tips with families to help cut waste at source.

Please support the work by choosing reusable containers and bringing plastic-free lunches. (see example below)
